## **New OEM Replacement Parts Warranty** (Other Than Cylinder Heads, Manifolds and Fuel Injection)

All **P C Industries, LLC (PCI)** new OEM replacement parts, are warranted to be free from defects in material and manufacture, under normal use and service.

**PCI** coverage will extend twenty four (24) months from date of invoice for parts installed in an engine without mileage or hours qualification. NOTE: This warranty does NOT cover new cylinder heads, new exhaust manifolds, new fuel injectors or new fuel injection parts, which are warranted for twelve (12) months from date of invoice – please refer to each specific **PCI** Warranty for terms and conditions.

Upon approved Warranty Analysis, **PCI** will cover parts and labor to repair the warrantable failure, including progressive damage to the engine concerned.

### **Conditions**

1. **PCI** must be notified by the customer before filing a warranty claim.
2. All warranty claims must be in writing and we reserve the right to examine every single engine or part subject to a claim under this warranty.
3. Warranty Claim must be approved by **PCI**
4. PCI will choose to either provide parts needed for repair or reimburse cost for parts based on **PCI's** invoiced price. Cost of labor will be of reasonable hourly flat rate according to DDC Shop Flat Rate (overtime or holiday rates are not accepted).
5. All approved warrantable claims will be settled by an account credit to the originally invoiced customer. No cash refunds will be allowed.

### **Limitations**

1. The provisions of this warranty shall not apply to any **PCI** part altered from its original specification or which has been misused, exposed to weather conditions, negligence, or damage by accident.
2. This warranty is provided solely to direct customers of **PCI** and not to any other party. It is the only agreement or obligation of **PCI**. All other warranties, expressed or implied, including the warranties of merchantability and/or fitness for a particular purpose are excluded.
